## New Enrolment Scheme

### Overview – what is changing?

The Ministry of Education regularly monitors enrolment patterns, population growth and anticipated school roll changes across the Waitaki district. As part of this monitoring and regular review, we now consider an enrolment scheme is necessary for Dargaville Primary School. This is due to growth of the school roll and because we need to ensure the Board has a fair and transparent mechanism to manage the roll. It also means we can ensure we are making best use of educational facilities across the wider Dargaville Primary area.

The new enrolment scheme will have a home zone, like other schools with enrolment schemes in the area. Children that live within this area will have entitlement to enrol at Dargaville Primary School. The home zone area is shown on the map below and described here:

For families of currently enrolled students whose addresses become out of zone as a result of the implementation of this Enrolment Scheme.

**Section 75 of the Education and Training Act 2020** states that

“the Secretary may authorise an enrolment scheme to permit a student to enrol at the school as if the student lived in the home zone of the school if, -

- (b) in the case of a new enrolment scheme, the student,
1. lives outside of the home zone of the new enrolment scheme; and
  2. has a sibling who is enrolled at the school at the time that the new enrolment scheme is implemented.”

### **Special Programmes**

This priority category is not applicable at this school because the school does not run a Special programme approved by the Secretary.

### **Out of Zone Enrolments**

Each year the Board of Trustees will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The Board will publish this information by public notice in a medium appropriate to the area

served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolments will be processed in the following order of priority:

First Priority

This priority is not applicable at this school because the school does not run a special programme approved by the Secretary for Education.

Second Priority

will be given to applicants who are siblings of current students.

Third Priority

will be given to applicants who are siblings of former students.

Fourth Priority

will be given to any applicant who is a child of a former student of the school.

Fifth Priority

will be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.

Sixth Priority

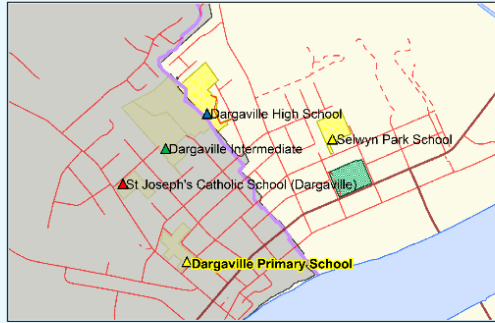

will be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, selection within the priority group will be by ballot conducted in accordance with instructions by the Secretary, under Schedule 20, Clause 3 (1) of the Education and Training Act 2020. Parents will be informed of the date of any ballot by public notice in a medium appropriate to the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.

The establishment of the enrolment scheme and home zone will affect all enrolments starting at the beginning of Term 3 2023. This includes current families who have a younger sibling looking to enrol at Dargaville Primary School starting on 17 July 2023 (the commencement date) or later. The flowchart below will help you assess your indicative eligibility to enrol after the commencement date.
