

Ten *things* found in a **teacher's** pocket

A million pencils that are always sharp.

A gluestick to glue kids mouths shut.

A BOTTLE OF PEPSI MAX THAT NEVER RUNS OUT.

A notebook for notes.

A thousand cones for the torturous fitness.

A CALCULATOR THAT KNOWS EVERYTHING.

A ruler for using on children.

A rubber to rub out lies.

A book of answers.

A bottle of children's laughter.

Taylor Pyke
